

1 The parties to this action—plaintiff ADC Technology, Inc. (“ADC”) and defendants Palm,
2 Inc. and Hewlett-Packard Co. (collectively, “Palm”)—respectfully submit this stipulation, requesting
3 that the Court continue the Case Management Conference previously scheduled in this action for
4 September 28, 2012 to a date in January 2013, or an alternative future date that is convenient to the
5 Court.

6 Good cause exists for this requested continuance of the Case Management Conference, since
7 (a) this action is presently stayed pending reexamination of the patents-in-suit by the United States
8 Patent and Trademark Office (“PTO”) and (b) there has not yet been a final determination of the
9 reexamination of the patents-in-suit, as set forth below:

- 10 ▪ This is a patent case in which the plaintiff, ADC, asserts three patents—namely, U.S.
11 Patent Nos. 6,985,136 (the “136 patent”), 7,057,605 (the “605 patent”) and 7,567,361
12 (the “361 patent”) (collectively, the “patents-in-suit”).
- 13 ▪ In mid-2011, pursuant to a third-party request, the PTO ordered reexamination of each of
14 the three patents-in-suit.
- 15 ▪ In July 2011, defendant Palm filed a stipulated motion to stay this case pending final
16 determination of the reexamination of the patents-in-suit by the PTO. (*See* Docket
17 No. 68.) Plaintiff ADC stipulated to this stay motion. (*Id.*)
- 18 ▪ On July 25, 2011, the Court granted the stipulated stay motion and ordered that “[t]his
19 action is stayed pending final determination of the reexamination of the patents-in-suit”
20 by the PTO. (*See* Docket No. 70.) In its order, the Court instructed the parties to advise
21 the Court when the PTO has issued a final determination on reexamination. (*Id.*) In
22 addition, the Court set a case management conference for May 11, 2012, which was
23 subsequently re-set for May 18, 2012. (*Id.*)
- 24 ▪ In May 2012, defendant Palm and plaintiff ADC filed a joint stipulation requesting
25 continuance of the case management conference until a date in September 2012, noting
26 that there has not yet been a final determination of the reexamination of all of the patents-
27 in-suit and indicating agreement that a continued stay in this action was appropriate. (*See*

1 Docket No. 72.) The Court thereafter granted the joint stipulation and re-set the case
2 management conference for September 28, 2012. (*See* Docket No. 73.)

- 3 ■ There has not yet been a final determination of the reexamination of all of the patents-in-
4 suit. The reexamination proceeding on the '605 and '361 patents remain ongoing. And
5 although the PTO issued a reexamination certificate for the '136 patent earlier this year,
6 the PTO has thereafter initiated another reexamination proceeding on that patent that
7 remains ongoing.
- 8 ■ The parties presently agree that (a) this action should remain stayed pending a final
9 determination of the reexamination of the patents-in-suit and (b) the Case Management
10 Conference should be continued to a date in January 2013, or an alternative future date
11 that is convenient to the Court. The parties further agree that if any of the reexaminations
12 are completed before the rescheduled Case Management Conference, either party may
13 file a motion to have the stay lifted, and the other party may oppose the motion.

14 In view of the foregoing, the parties respectfully request that the Case Management
15 Conference previously set for September 28, 2012 be continued to a date in January 2013, or an
16 alternative future date that is convenient to the Court.
